These are open groups that caregivers may join at any time. There is no fee for group participants. Group sessions focus on helping individual caregivers as they care for themselves and loved ones. The support group is a place to share experiences, struggles, humor, coping strategies, and learn from one another. Education and empowerment opportunities are presented as well.

Funded under contract with local municipalities, Hennepin County, the United Way, and, as part of the Older Americans Act Program, the Metropolitan Area Agency on Aging, Inc.
