

## Understanding your choices is crucial

The Medicare Health Insurance Counseling program gives you access to experts who can help you understand Medicare and provide support for issues along the way.

### What to Do During the Annual Election Period:

- Check with your plan to see if there will be changes
- Check your prescription list and your coverage for those prescriptions
- Check on new plans and changes to other plans to be sure you are getting the coverage you need at the most affordable cost
- Contact SCS for assistance

## Our Vision

The vision of Senior Community Services is to mobilize the community to reimagine aging. We are passionate about enhancing the quality of life of older adults and caregivers.

To find additional programs that help enhance the lives of seniors, or to get involved through volunteerism, visit:

# Medicare Health Insurance Counseling

## You Have Questions.

How do I get Medicare coverage?

How do I bridge the gap until I qualify for Medicare?

What will Medicare pay for?

Do I need a Medicare supplement or a Part D plan?

What are Medicare Advantage plans?

When do I contact Social Security, and when do I call Medicare?

How does Medical Assistance work?

Is there a good way to understand and manage my medical bills?

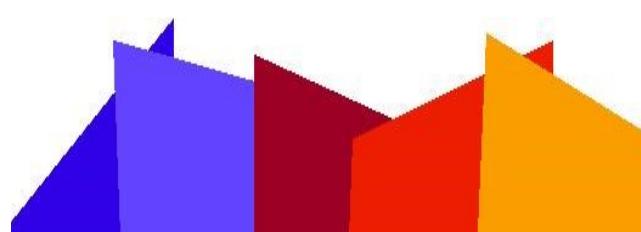

Does long term care coverage make sense for me?

## We Have Answers.

### Medicare Education, Counseling, and Support

When it comes to Medicare, most people have questions about how the coverage works, and what options are best for them. We can help.

Local (952) 767-7887  
Toll Free 1 (888) 541-5488

### Confidential Assistance from Highly Qualified Volunteers & Staff

Senior Community Services (SCS) provides its volunteers with ongoing education in addition to more than 20 hours of initial training on Medicare and related topics. Most of them have several years of experience. Our staff can help you understand your coverage options. Turn to them for Medicare questions, medical bill help, and more.

### Workshops & Individual Counseling

SCS offers unbiased, educational workshops at several locations in addition to confidential, individual assistance by phone and in person. Call SCS or visit the web site for a list of in-person locations, upcoming events, or to request a customized class for your group or business.
