Navigating Medicare Classes

Thinking of getting ready to retire? Are you a family member or a caregiver to someone that has Medicare coverage? Already have Medicare and just want to know what is going on with Medicare?

This class is a chance for anyone to learn about Medicare. Spend the evening learning about the Medicare Adventure. We will discuss Medicare Parts A, B, C and D coverages, supplement types and part D plans.

The class is an educational opportunity and not a sales pitch; it is offered in cooperation with Senior Community Services, a non-profit agency.

A nominal fee is collected to defer costs. Please register with the contact listed before
