2025 Annual Report

Celebrating 75 years of Senior Community Services

A Year of Change, Reflection, and Renewal

As we reflect on 2025, we do so with deep gratitude and a clear sense of purpose. This past year brought with it significant waves of change. While these changes have been challenging, adapting quickly and thoughtfully is setting our organization on a path toward even greater strength.

We experienced an important leadership transition, honoring the legacy of long-time leadership while welcoming a new CEO to guide us forward. At the same time, shifting dynamics in our funding environment required us to think differently and pivot thoughtfully in some areas. These changes asked much of our team, our partners, and our community, but they also created space for reflection and innovation.

Through these transitions, one thing remained constant: our commitment to those we serve. Rather than simply navigating change, we embraced it as an opportunity to reimagine our future. 2025 became a year of repositioning and repurposing—laying the groundwork for a stronger, more resilient SCS in 2026 and beyond.

We began looking ahead with intention, identifying opportunities to expand and deepen our impact. One of the most exciting areas of growth is our Technology Services. Our focus is clear: to build digital competence and confidence among older adults, ensuring they can safely and meaningfully incorporate technology into their daily lives.

This evolution is not only about our programs—it is also about our people. Our team has shown remarkable resilience and adaptability. They have embraced opportunities to broaden their skills, deepen their knowledge, and grow alongside our expanding services. We are equally inspired by the incredible dedication of our volunteers, including the partnership of our Board of Directors, whose time and compassion all continue to make our work possible.

As we step into 2026, we do so with renewed energy and vision. We are committed to building on the lessons of this past year, strengthening our foundation, and expanding our reach—so that we can continue to meet the evolving needs of those we serve.

Thank you for walking alongside SCS through this transformative year. Your support makes this journey possible and the future bright.
