

Technology Services Offerings for Senior Living Communities

Senior Community Services, a local nonprofit, can bring our nationally recognized Technology Services to your community of older adults. Our services help older adults use technology more confidently to reduce social isolation, stay healthy, and make their lives easier.

All services are performed by our team of Technology Coaches who are uniquely experienced and passionate about working with older adults.

Educational Presentations

We offer over 100 presentations on topics that matter to older adults. Our programming includes original topics developed by our staff and Senior Planet curriculum from AARP. We know older adults are motivated to learn about technology not for the sake of it, but for augmenting their daily living.

Our topics generally fall into the following categories:

Financial Security, Social Engagement, Creative Expression, Health & Wellness, & Civic Participation

Popular courses include:

- Preventing Fraud & Scams
- TV and Streaming Services
- Alexa/Google Home
- Home Monitoring Systems
- Password Best Practices
- Internet and Computers 101
- Windows 11 101
- Smartphones: Texting & Sending Attachments
- Digital Photo Management
- What to Buy: Tablet, Desktop, or Laptop
- iPad Basics
- Artificial Intelligence
- Data Privacy

Speaker Fee: \$150 per presentation

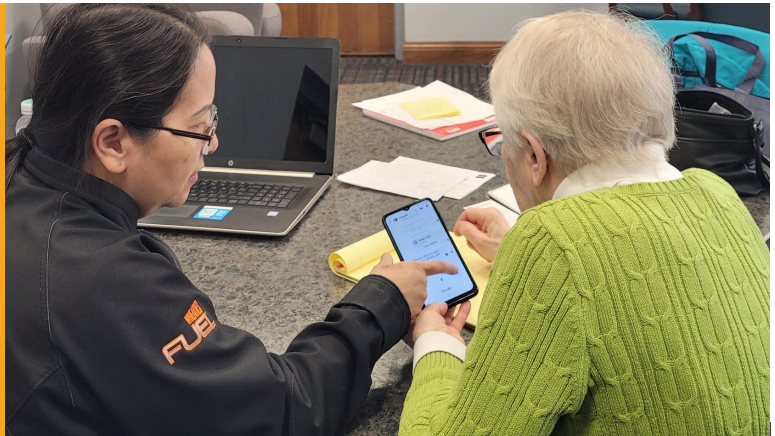

A Technology Coach presenting “Everyday Uses of AI” to over 100 people.

One-on-One Technology Support Sessions

Participants receive one-on-one support for their personal device (phone, tablet, or laptop) to learn specific functions or troubleshoot issues. These sessions take place in a common area at your location and typically occur weekly, bi-weekly, or monthly.

Support Session Pricing

- 1 hour session - \$50
- 2 hour session - \$100
- 3 hour session - \$150

"I just want to thank you for bringing so much joy to my life. I have been stuck because I haven't known how to use all the new technology. Your staff's kindness and willingness to go step by step is a valuable gift. I am so grateful."

-Terri, Technology Services client

In-Unit Appointments

Even if you don't book a service for your community, our Technology Coaches can still visit your residents to provide support. This is an hourly, private pay service booked and billed directly with the resident – no coordination needed from you. We can provide free flyers and informational materials for you to distribute.
